

A close-up, low-angle shot of a car's alloy wheel, showing the spokes and the hub. The wheel is dark, possibly black or dark grey, with some metallic highlights. A large, solid red triangle is positioned on the right side of the image, pointing towards the center. The background is a light grey gradient.

UNIVERSAL REPAIR UNITS USA -STYLE

These repair units are rubber reinforced and ideal for puncture repair in tubeless radial and bias ply tires.

Part Number	Description	Size mm	Box Qty	Case Qty
11-304	Extra Small	35	100	12
11-306	Small Square	45	50	12
11-308	Medium Square	55	25	24
11-310	Large Square	75	15	24

UNIVERSAL REPAIR UNITS EURO -STYLE

These repair units are rubber reinforced and ideal for puncture repair in tubeless radial and bias ply tires.

Part Number	Description	Size mm	Box Qty	Case Qty
11-307	Mini Square	38	50	12
11-309	Small Square	48	50	12
11-311	Medium Square	57	50	12
11-312	Large Square	66	50	12

HEAVY-DUTY RADIAL REPAIR UNITS USA -STYLE

These are designed for use in puncture, reinforcement, and section repairs in any repairable area of a passenger, truck, agricultural, or earthmover radial tire.

Part Number	Description	Size mm	Box Qty	Case Qty
11-810	Radial 10, 1 Ply	60 x 75	20	10
11-814	Radial 14, 1 Ply	95 x 100	10	10
11-820	Radial 20, 2 Ply	72 x 125	10	6
11-825	Radial 25, 3 Ply	115 x 125	10	1

HEAVY-DUTY RADIAL REPAIR UNITS EURO -STYLE

These are designed for use in puncture, reinforcement, and section repairs in any repairable area of a passenger, truck, agricultural, or earthmover radial tire.

Part Number	Description	Size mm	Box Qty	Case Qty
11-710	Radial 10, 1 Ply	60 x 75	20	10
11-714	Radial 14, 1 Ply	87 x 100	10	10
11-720	Radial 20, 2 Ply	70 x 125	10	6
11-725	Radial 25, 3 Ply	115 x 125	10	1

UNIVERSAL STRING-TYPE INSERT

- Temporary repairs sealing by compression only
- For use in radial and bias ply tires

Part Number	Description	Size mm	Box Qty	Case Qty
12-361	Fat, Brown String	102	50	24
12-362	Fat, Brown String	204	25	24

VULCANIZING INSERTS

- For use in radial and bias ply tires
- For chemical vulcanization

Part Number	Description	Size mm	Box Qty	Case Qty
12-222	Vulcanizing Inserts	95	50	10

VULCANIZING FIBRE SEAL INSERTS

- For use in radial and bias ply tires
- For chemical vulcanization

Part Number	Description	Size mm	Box Qty	Case Qty
12-220	Fibre-Seal Insert	95	50	10

EMERGENCY REPAIR KITS

- Great for emergency repair whenever a full-service facility is not immediately available

Part Number	Description	Case Qty
12-355	HD Passenger Kit - Metal T-Handles 50 pcs. 12-361	6
12-357	HD Truck Kit - Metal T-Handles 25 pcs. 12-362	6

COMBINATION REPAIR UNITS

- For use in radial and bias ply tires
- Designed for chemical or heat vulcanization

Part Number	Description	Injury Size	Box Qty	Case Qty	Carbide
13-672	42mm	4,5mm	24	10	14-345
13-673	55mm	6mm	24	10	14-346
13-674	55mm	8mm	24	10	14-347

UNIVERSAL QUILLED COMBINATION REPAIR UNITS

- For use in radial and bias ply tires
- Designed for chemical or heat vulcanization
- Equipped with quick-release metal quill for easy installation

Part Number	Description	Injury Size	Box Qty	Case Qty
13-381	42mm Round	3mm	20	10
13-382	57mm Round	6mm	15	10

CONDIZIONI DI VENDITA

1. Qualsiasi dichiarazione di agenti o impiegati non è impegnativa se non confermata per iscritto dalla ns. Società.
2. Listini prezzi e preventivi non sono impegnativi, potranno subire variazioni ad insindacabile giudizio della ns. Società, per aumento costo materiale, di mano d'opera o di altri gravami che avvenissero prima della sottoscrizione della conferma d'ordine.
3. I nostri prezzi di listino si intendono per merce franco ns. magazzini, l'imballo e le spedizioni verranno fatte a spese ed a rischio del committente che non potrà eccepire la possibilità di prezzi o mezzi di trasporto più economici di quelli utilizzati, salvo nel caso che avesse impartito tempestivamente apposite istruzioni.
4. Le date di consegna riportate sulle conferme degli ordini non sono da intendersi tassative e vincolanti in quanto potranno essere variate per cause di forza maggiore a noi non imputabili.
5. I reclami per forniture incomplete od errate, nonché per difetti apparenti, debbono essere comunicati per iscritto entro 8 giorni dal ricevimento della merce, intendendosi trascorso detto termine verrà considerata accettata la fornitura senza riserve.
6. Difetti occulti dovranno essere comunicati al momento del rilievo e in ogni caso non oltre due mesi dalla data del ricevimento merce, spettando all'acquirente di provvedere a quelle prove o collaudi che permettano di rilevare tali difetti in caso d'uso.
7. Nei casi previsti ai punti 5 e 6 la ns. Società provvederà solo alla fornitura di quanto errato o difettoso, esclusa ogni altra indennità per danni diretti o indiretti.
8. Per forniture ripartite, la ns. società si riserva di sospendere le consegne qualora il cliente fosse in mora di pagamento su fatture precedentemente emesse.
9. Il Committente dichiara di accettare quale foro competente il foro di Mantova in Italia.

GOMER

SALES CONDITIONS

1. Any declaration of agents or employees is not binding for our Company if it will not be confirmed in writing.
2. The price lists and estimates are not binding, and they may be subjected to changes, to unquestionable judgement of our Company, for rise in raw material's costs or other burden that may occur before the signing of the order confirmation.
3. Our prices lists are to consider for delivery Ex Works by our stocks, the packaging and the delivery will be made at Customer's risk and expenses that will not be able to have objection for cheaper prices and transport's costs than the ones in use, excepted the case in that the buyer had given timely other indications.
4. The delivery terms signed on the order confirmation are not peremptory and binding, as they may change due to force major reasons not imputable to us.
5. Complaints for incomplete or wrong supply and for evident defects must be communicated in writing and transmitted within 8 days from the receiving of the goods, after this time we understand that the customer accepts the supply with no more reserves.
6. Hidden defects must be communicated to us when they are detected, in any case within two months from the date of the receipt of the goods and the burden of the proof and tests to permit to point out this defect, in case of use, are on the buyer.
7. On the cases 5 and 6, our Company will provide only to supply the missing goods or to replace the defective or wrong items, all other indemnity for direct or indirect damages are excluded.
8. For split up supplies our Company reserves itself the right to suspend the delivery of the goods, when the Customers is in delay on the payment of previous emitted invoices.
9. The Customer declares to accept as competent Court the Mantova's Court in Italy.
